Case No. 2:18-cv-00043-JCM-GWF

ORDER

12 Presently before the court is the parties' Stipulation and Proposed Order Providing Exception
13 to Attendance Requirements for Early Neutral Evaluation Session (ECF No. 23), filed on March 30,
14 2018.

15 The parties request that Trulite's insurance carrier's representative be excused from attending
16 the settlement conference in person. Defendants state that the representative will be available by
17 telephone to provide all appropriate settlement authority. But defendants do not specify the amount
18 of the claim deductible or state whether there is an insurance retention limit for which defendants are
19 responsible before the insurer is required to pay. Without this information, the court cannot evaluate
20 whether the insurance carrier's representative may be excused from the personal attendance
21 requirement.

22 IT IS THEREFORE ORDERED that the parties' Stipulation and Proposed Order Providing
23 Exception to Attendance Requirements for Early Neutral Evaluation Session (ECF No. 23) is
24 DENIED without prejudice.

25 Dated: April 4, 2018
